Mrs. Effa Manley  
Newark Eagles  
Newark, N.J.

Dear Mrs. Manley:

I regret very much that I have to delay your answer for a day or two, but I have been confined to my home with a horrible cold and did not go to work or out of the house this week. Also your letter to me was delayed a day because I have moved and, of course, you did not know my new address. It is at the top of this page.

I shall go to work again Monday and immediately check with club owners and write you within a day. I am sure I can arrange several dates, though it is a little early. The "Ligg," as you say, turned down the job I spoke of, largely through objection from Posey. I shall talk with you more about it when I see you.

Very truly yours,
